### Beatification of Venerable Pauline Jaricot

Many people will know the little 'Red boxes' for missionaries in their homes. The organisation is now known as 'Missio' and they will celebrate the beatification of one of their founders this Sunday in Lyon, France. This will be a day of prayer and celebration for the global Missio family, and the whole Church. Born in 1799, she had a passion for helping to support missionaries around the world. She believed that if we all give a little and pray a little, we can share God's love throughout the world. Through her resolution and strong beliefs, she founded Missio's Association for the Propagation of the Faith (APF) aged just 23 years. Pauline's legacy continues today through the Red Box scheme, which is a partnership between Missio and the Mill Hill Missionaries. For more on her life see [missio.org.uk/pauline](http://missio.org.uk/pauline)
