We received £8,000 because of Gift Aid this year— enquire how you can gift aid your donations

Our collections for last year, despite no collection baskets and Mass on playgrounds etc, is significantly higher than 2019-2020— thank you. Regular giving through standing order has secured our weekly income— which needs to be around £950 to sustain our expenses

A shortfall between income and expenditure this year has been mainly through having to replace our ancient church boiler around Christmas time. Thank you to those who have offset £8,368 of this expense

We hope to relaunch the Parish 50/50 fundraising later in the year— thanks to all who have continued to pay out!

Thank you to Ann for all that she does to care for and report on our Finances. We will miss your expertise when you leave in September.

Please continue to be as generous as you can— costs are rising so we cannot be complacent!
