**Thank you** to Alison and to all involved in the organisation of Fr John's funeral. Both the Reception into church and the Requiem Mass were wonderful celebrations of a life well lived and blessed by God and the number of people in attendance, family, friends, priests and parishioners was a true reflection of the number of lives that Fr John touched over his lifetime.  
**May you rest in peace Fr John.**

Please give generously.

**Keys Amnesty & Audit** Over the coming weeks, each parish within the Holy Family Cluster will be undergoing a Keys Amnesty & Audit. Following Diocesan guidelines, we will be asking all parishioners, renters, tenants, hall users, employees and clergy to return their keys during a designated time frame. These will be keys (including multiple copies) for doors, cupboards, storage units or for any area, item or device on parish property where a key is needed. We will then assess which keys need to be reissued. Users will sign for these keys or key safe codes purchased for multiple users who will be give the relevant code. Returned keys must be separated as individual keys and placed in an individual envelope with your name & phone number, the parish name and the location of the specific key. Tick the envelope to request its return to you or cross the envelope if you're returning it to the parish. It could also be the case that you may not currently be a key holder but you can contact the office to request a key that will assist you in your parish role or ministry. If you are going to be away during the amnesty period, please do let us know so we can make alternative arrangements. **Unfortunately, should you fail to produce a key during the amnesty period, authorisation for your use of the key will be removed.** Thank you very much indeed for your cooperation as this will help to keep our parish properties safe & secure but also accessible for those in a variety of roles and ministries, *Fr David.*
